Galileo 04 Limited

ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND) REGULATIONS 2017

Notice is hereby given that Galileo 04 Limited, ("the Company") with company registration number SC761010**,** having its registered office at The East Suite, First Floor, Greenside House, Greenside Place, Edinburgh, EH1 3AA has applied to the Scottish Ministers for consent under section 36 of the Electricity Act 1989 to construct and operate Corr Chnoc Wind Farm ("the proposed Development") on land approximately 2km northeast of Kilmore and 5km east of the centre of Oban (Central Grid Reference 191391,726255). The installed capacity of the proposed generating station (as amended) would be approximately 80 MW comprising 11 turbines with a ground to blade tip height of up to 200 metres and a battery energy storage system (BESS) with a capacity of up to 25MW**.** The proposed development is subject to Environmental Impact Assessment (EIA) and an EIA Report has been produced.

The Company has also requested a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

The Company has now submitted additional information to Scottish Ministers comprising an Additional Information Report 2026, which includes information relating to the removal of wind turbine 18 and associated infrastructure, ornithology, noise, carbon balance impact assessment, a landscape and visual impact assessment and a Grid Appraisal Report.

Copies of the additional information, the application and the EIA Report ('the information') are available for public inspection in person, free of charge, during normal office hours at:

www.energyconsents.scot, using the relevant Project Name and/or ECU reference number. Please note that you must be in possession of a working email address to submit a representation virtually.

If you would prefer to submit your representation by post, please send to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Written representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations.

All representations should be received not later than 10 December 2026. Scottish Ministers may be able to consider written representations received after this date.

Any subsequent additional information which is submitted by the Company will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

Where Scottish Ministers decide to exercise their discretion to do so, they can cause a public inquiry to be held.

Scottish Ministers will determine the application for consent in one of two ways:

- Grant consent, with or without conditions attached; or
- Refuse the proposal.
